***For children who are attending the Service and are not awarding the 15 hours Kindergarten funding to this Service please talk with your Business Manager for information relating to this.***

**Signing In/Out** It is part of legislative requirement that children are signed and in out of the Service using the electronic Kiosk Portal. This is for the Kindergarten Funding Scheme purposes as well as ensuring that staff are aware that children are in attendance and have also been collected from the Service at the end of each day.

**Public Holidays** Fees are payable for days on which public holidays fall and your child is enrolled in care for that day on a term basis.

**Payment of Fees** Family accounts are generated on a Term basis and emailed to the allocated email.

**Fees are payable by Week 8 of the Term upon receipt of the Term accounts.**

Payments of accounts are managed through XAP. Families are required to make payment via electronic deposit to the Centre.

Please note that if **fees are in arrears at the conclusion of the Term, a child's place may be cancelled and offered to another child.**

Payment plans can be arranged on discussion with the Business Manager. If you have any queries relative to your account, please contact the Business Manager immediately to discuss payment and other matters.

Cancellations

The Service must be advised in writing at least, **two (2) weeks of booked care** before the termination of a child's placement. Forms are available at the Centre for this purpose.

Calendar for 2025

A calendar will be provided to families upon enrolment which lists days of attendance for each group
